Port Replicators

Get connected to your peripherals in no time

Issue March 2005

Pages 3

Flexibility, expandability, desktop replacement, investment protection – to name just a few benefits of Fujitsu Siemens Computers docking options.

Our Port Replicators are the perfect docking solutions for the AMILO Pro Series and LIFEBOOK Series - our professional notebooks - to simplify your mobile life. In the office or at home it takes just a second to attach your notebook to the Port Replicator and get connected for example to your external display, keyboard and mouse. Your workplace is simple and tidy while you are ready to work with your notebook.

Reliability

- High quality and stability
- Reliability of delivery
- Everything you need from one company

Diversity

- Accessories for differentiated demands
- Meeting highest demands in terms of ergonomics and usability

Usability

- Keep your notebook simply connected to all needed peripherals
- Easy connection through docking interface for maximum convenience and ease of use
- Leave your peripherals plugged to the Port Replicator and turn your notebook into a real desktop
- Wide range of interfaces
- Hot docking

Type	**Port Replicator USB 04 for** ■ AMILO Pro V2000 Edition ■ LIFEBOOK P7010	
Order Code	S26391-F6007-L100	
Dimensions (H x W x D)	26 x 187 x 70	
Weight	0.16 kg	

Type	**Port Replicator for** ■ AMILO Pro V7010	
Order Code	S26391-F5022-L900	
Dimensions (H x W x D)	25 x 250 x 70 mm
